

# W-CC Membership

## Join us as we

- Amplify diverse feminist, faith-filled voices.
- Build social and ecclesial structures with shared power.
- Create spaces where all can live out their vision of full inclusion in church and society.
- Act boldly for feminist ministry and social justice in our world.

## Membership activities

- Monthly teleconference: We create space for organizational networking, personal support and strategizing, and periodic "brain trusts" to explore relevant feminist issues by leveraging our collective knowledge.
- Annual 2-day retreat and working meeting: W-CC representatives gather in-person annually to further the work of the convergence through strategic planning, relationship building, and feminist Eucharistic rituals.
- Information sharing and solidarity: W-CC hosts information sharing and social media forums for representatives and movement-wide allies for dialogue and support as we amplify, build, create, and act in the service of feminist ministries.

## How we support each other

- Through our diverse gifts as feminists, W-CC offers support spiritually, organizationally, and personally to member groups and representatives.
- We commit to amplifying the work and voices of member organizations through prayer, media, and advocacy. We share resources, experience, and information. We challenge each other to ask new questions, explore and dismantle biases, to lean into discomfort, and discern and embody the ministries of our time.

## Dues

Membership dues for Women-Church Convergence are paid once a year and enable the Convergence to continue its work in furthering the Women-Church movement. The amount of dues paid is based on the size of the member organization. The current dues schedule is as follows:

2-99 members	.....\$75
100-299	.....\$100
300-499	.....\$125
500+	.....\$150

Groups with limited financial resources may make other arrangements.
